

Salyards Middle School Fall Testing Calendar 2017

When making your plans for December, please keep these testing dates in mind as attendance is expected to complete the semester exams and district progress monitoring assessments. All students are expected to take the semester exam and exams are not available prior to the exam date. Per board policy: "If a student fails to take the exam, the student shall earn a zero..." As a reminder, for students in HS credit courses, the semester exam for the HS credit course will be calculated as 1/7 of their semester average.
